| <p>The Stockport County Study Centre achieved 'Advanced' status in the QiSS recognition process based on the DCSF quality assurance framework in November 2007. Seen as an important Local Authority resource it uses innovative programmes of study to support a number of high profile daytime, out of school hours and holiday initiatives.</p> <p>Recognised as a 'National Centre of Excellence' for its outstanding use of technology it offers other Study Centres and Local Authorities the opportunity to see examples of 'best' practice, particularly through its creative use of digital film and radio.</p> <p>February 2008 saw the centre achieve Regional Apple Training Centre status and the centre now provides staff from local schools and colleges with the opportunity to access structured Apple based training programs.</p> |   |
